

CHW Training & Development

**Demand/Call for Trained
Community Health Workers**

CHW Training “Food for Thought”

Where are we – what are we doing today?

Where do we, can we, want/need to go?

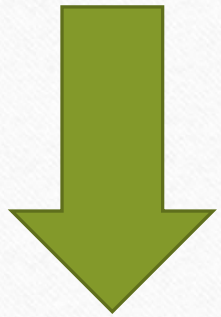

**Where have we or where can we “hitch”
our wagon to help pull us along the CHW
education and training journey?**

National Initiatives Driving Demand

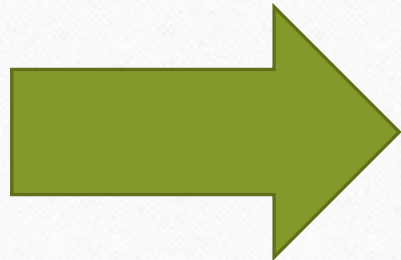

Improve the health of the population

Lower health care costs

Provide better care for individuals

Patient Protection Affordable Care Act (ACA)

Centers for Medicare Medicaid Services (CMMS)

**Department of Labor – CHW Standard Occupation
Code**

**American Public Health Association – (APHA)
CHW Definition**

C3 PROJECT

CHW Common Core Consensus

**Administered by the National Area Health
Education Organization in collaboration
with the CHW Section of the APHA**

C3 PROJECT

Aim

Offer contemporary recommendations for national consideration and adoption related to:

- **CHW Core Roles/Scope of Practice**
- **CHW Core Skills & Subskills**
- **Affirm existing knowledge about CHW Core Qualities**

Conversation Buckets

CHW 101 → Advanced Levels
Health Specialty
